

Code3 Essex Interior Lights

CODE 3[®]

Design Features

- Torus LED technology provides an exceptionally bright straight-on and off-angle signal
- New flared visor allows a much greater off-angle light signal, particularly useful when approaching intersections
- New locking swivel feature allows universal mounting to fit to the curve of any windshield
- Compact size means a small footprint
- Available in 2 sizes, Single and Dual Head
- 27 user selectable flash patterns for Single Head, 53 for Dual

Specifications

- Single: H 50.8mm x D 63.5mm x W 94mm
- Dual: H 50.8mm x D 63.5mm x 177.8mm
