DuPont™ Kevlar® and Fibreglass Reinforced Composite Shell provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

Easi-On-Off (EOB) bases for torch and face shield (optional). Easi Glide Torch Holder and torch sold separately

Earmuff brackets (optional) available for European and USA earmuff fittings.

Goggle posts, goggle straps, or through shell goggle slots to secure goggles (optional)

Pacific ratchet adjustable headband, sizing range from 52–64cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

4-point chin strap. Single handed adjustment at multiple locations for maximum comfort and stability. Chin cup or chin loop optional.

Unique PU cap provides excellent shock impact absorption and a thermal barrier.

Pacific front lamp bungy (optional).

Clear polycarbonate face shield (optional) provides high speed particle impact protection, with heat and flame resistance. Optically correct with full face cover for excellent splash protection.

Pacific low profile buckle can be easily secured, released, and adjusted.

6-point clip in ribbon cradle harness, fully modular for easy decontamination and replacement without special tools.

Other optional accessories available:

- **Premium reflective trim** with high retro-reflectivity for increased visibility
- **Customised Decals** (badges, wording, and rank markings) are available by request
- **Water Release Holes available**
- **Flame Resistant Neck Protector** (water proof variations available)
- **Clear polycarbonate eye protector** to provide high speed particle impact protection.
