

# FRONTLINE

Antifog | Adjustable Length strap | Elasticised Strap | Wide and Clear Visibility

AS/NZS1337.1 Heat Resistant (H)  
AS/NZS1337.1 Medium Impact (I )  
AS/NZS1337.1 Splashproof (C)  
AS/NZS1337.1 Hot Solids (M)  
AS/NZS1337.1 Molten Metal (M)  
AS/NZS1337.1 Fire Resistance

The 109 Frontline goggle has been tested and certified to be suitable for use in high temperature and fire conditions. It is also certified for splash resistance, hot solids resistance, molten metal, and above all else, with medium impact protection.

The 109 Frontline comes with an adjustable length elastic strap which swivels at the hinge to provide that comfort fit.

The Frontline is wide enough to fit over prescription spectacles and with a soft TPR shell, it is comfortable to wear all day.

With antifog lens coating applied to both front and back lens, these safety goggles are perfect for just about any use.
