BR9 Wide Brim Helmet with Clip On Face Shield and Mesh Cradle

The BR9 from Pacific Helmets is a popular lightweight bushfire helmet. The standard shape incorporates a narrow side brim and multiple crown ridges allow for extra strength and air flow. The wide brim shell shapes extends further over the sides of the helmet.

This helmet comes with a clip on Face Shield and mesh cradle.

It's important to note that while this helmet is fitted with earmuff brackets, the wider brim makes for a strained fit therefore the wide brim helmet is not as comparable with earmuffs as the Standard BR9 or the Cap Style BR9.

Your helmet comes with premium silver / white reflective trim.

Pacific Wide Brim BR9 is available in a range of colours and paint finishes, not available for purchase through our online store. Please contact Pac Fire about your colour selection. Additional fees and lead times may apply.

FEATURES

DUPONT™ KEVLAR® REINFORCED FIBREGLASS COMPOSITE SHELL provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Multi-ridge design assists in dispersing impacts.

PREMIUM SILVER REFLECTIVE TRIM with high retro-reflectivity for increased visibility.

EASI-ON-OFF (EOB) BASE FOR TORCH. Attach Underwater Kinetics or Adaro helmet torch models by way of helmet clip (sold separately).

CLEAR, CLIP-ON FACE SHIELD provides high speed particle impact protection, with heat and flame resistance. Full face cover for excellent splash protection.

EARMUFF BRACKETS. Compatible with helmet attached earmuffs with a 25mm tongue.

GOGGLE MOUNTING POSTS for attaching twin strap goggles to your helmet.

PACIFIC RATCHET ADJUSTABLE HEADBAND, sizing range from 52–65cm. Includes front and rear merino comfort padding.

6-POINT RIBBON SUSPENSION WITH MESH INSERT. Fully modular for easy decontamination and replacement without special tools. Mesh insert spreads weight evenly over the head.

3-POINT CHIN STRAP. Single handed adjustment at multiple locations for maximum comfort, optimum fit, and increased stability.

PACIFIC QUICK RELEASE BUCKLE. Easily secured, released, and adjusted with a gloved hand.

FLAME RESISTANT NECK PROTECTOR.

REAR METAL STORAGE HANGER

COLOUR. The BR9 is available in over 25 colours.
