

F15

Structural Firefighting Helmet

AS/NZS 4067:2012 Certified || EYEWEAR CERTIFICATION AS/NZS 1337.1:2010

InterFire
— AGENCIES —

The Pacific Helmets F15 is the perfect combination of safety, comfort and quality protection. Manufactured from the unique DuPont™ Kevlar® and fibreglass composite shell that has made Pacific Helmets synonymous with fire and rescue helmets.

This jet style design helmet is compatible with modern communications equipment and the clear face shield can be completely deployed over all major breathing apparatus masks.

Pacific F15 is available in a range of colours and paint finishes, not available for purchase through our online store. Please contact Pac Fire about your colour selection. Additional fees and lead times may apply.
