PACIFIC F3D MkII

STRUCTURAL FIREFIGHTING HELMET

CERTIFICATION
AS/NZS4067:2012, EN443:2008

Reinforced Kevlar® composite shell provides integral strength and excellent penetration protection. This lightweight shell is chemical and UV resistant with inherent heat and flame resistance. Expected service life of 15+ years with proper care and maintenance.

Easi-On-Off (EOB) torch base (optional). Easi Glide Torch Holder and torch sold separately.

Premium reflective trim with high retro-reflectivity for increased visibility. Customised Decals (badges, wording, and rank markings) are available by request.

Flame Resistant Neck Protector (water proof or padded variations available).

2-point chin strap. Single handed adjustment for maximum comfort and stability.

Pacific quick release buckle can be easily secured, released, and adjusted with a gloved hand.

Unique full cranium polyurethane liner provides an excellent thermal barrier and superior shock impact absorption.

Clear polycarbonate face shield provides high speed particle impact protection, with heat and flame resistance. Anti-scratch and anti-fog coated, optically correct, with full face cover for excellent splash protection.

6-point ribbon cradle harness, fully modular for easy cleaning and replacement.

Pacific ratchet adjustable headband, sizing range from 52–64cm (downsizing adjustment kits and XL sizes available). Simple operation with a single gloved hand. Comes with comfortable front and rear sweat padding in your choice of leather, merino, or vinyl and is easily removable and replaceable for decontamination.

Other Optional accessories available:

- **Rear Hanger.**
