

CHASE™ SERIES
DECK AND DASH LIGHTS

CD3766BW-VDL

The dual-color Chase™ Series provides users with the ability to cycle through flash patterns and power on and off with a switch control. Its adjustable visor prevents flash back and simplifies installation. Features include 69 flash patterns, four suction cups to mount to front or rear window, two L brackets for deck mounting, aluminum housing, heat-resistant polycarbonate lens and an 8.5-ft. cable.
